Primary School Applications for September 2017

Parents with children born between 1 September 2012 and 31 August 2013 should apply now for a Primary School place on-line at www.oxfordshire.gov.uk/admissions. The closing date for Reception applications is on **Sunday 15th January 2017**. The closing date is extremely important as late applications will not be considered until May 2017 and parents who make a late application are less likely to be offered a place at one of their preferred schools. Please come and see us at the office if you need any help with this.
