Street Tag – we need more team members!

Please download the Street Tag app and join the Edward Feild Team. If you keep the app open on your phone, it will turn your street tags red, earning points for the school as you walk. There is a tag at school so even walking/cycling to school will earn our team more points. You can choose a Power Hour to coincide with when you are likely to be out walking which will multiply your points and you can also sync it to your FitBit. We are currently sixth on the North Oxfordshire Schools Leaderboard so let's try to get in the top three and earn prizes for our school!
