Friday 15th January 2021

Dear Parent/Carer

We would like to say well done to all the children and parents this week. We are really pleased with the levels of engagement on Google Classroom and the children have been doing great work. Its been good to see so many more families joining in Google Meets but if you do have any log in problems, please email Mrs Murray on c.murray@efs.oxon.sch.uk

Critical Workers Places

We are grateful to those critical worker families who have offered to reduce the days their children are coming into school or indeed have offered their children's places to other vulnerable or critical worker families. Our bubble sizes remain too high so the Governors are now finalising our prioritised criteria.

Social Distancing Guidelines

You may have seen in the media that our local area has a much higher than average occurrence of COVID-19. We request all adults visiting the school site to wear a face mask and maintain social distancing at all times. Any child with symptoms should remain at home while a test is arranged. Please follow all social distancing guidelines at home as your child is mixing with other families and our staff.

Free School Meals Voucher Scheme

Following the recent change in Government guidance, we have switched from offering food parcels to our families to supermarket vouchers from next week. As previously advised, please get in touch if you think you may be eligible.

Safeguarding

If you have any safeguarding concerns, please email Mr Jackson on head@efs.oxon.sch.uk

Regards

Edward Feild Primary School
