Message from the Head Teacher

On behalf of the Governing Body and the School, we would like to take this opportunity to thank our retiring Chair, Christiaan Monden, for his hard work over the past 4 years. We are extremely grateful that he offered his skills, knowledge and time to support our board in providing confident, strategic leadership of our school. The school has undergone a positive transition during his tenure, returning to a "Good" Ofsted rating, and he has provided invaluable support to the Headteacher, Governing Body and School as a whole. The Acting Chair is Ros Letellier. We are pleased to welcome new Governors: Steph Gittins, Parent Governor and Jennie Challender, Co-opted Governor.

Forest School

We would like to thank the Friends of Edward Feild for buying a Mud Kitchen for our Forest School area as well as a selection of wheelbarrows and utensils. If a few parents have old pots and pans, we would be delighted to use them in our mud kitchen area. Please give them to your class teacher.

Tennis Course

If your child enjoyed Tennis Club, please visit www.tennisforkids.co.uk for details of summer courses at North Oxford Tennis Club.

Cricket World Cup

Years 5 and 6 have been busy creating a display about the upcoming Cricket World Cup. We are entering our display into a competition to win various cricket prizes so we'll keep you posted!

Cake Sale – Lions Class cake sale raised £51.30. Thank you for your donations of cakes and a special thank you to Camilla Taylor and Lorna Nash who ran the stall. The Cake Sale on the Friday after we return is for Possums Class and we will need 2 adult helpers to run the stall.

Celebration Assembly

Caribou – George for working hard in class and reminding others to work hard too! Aubrey for showing great effort in her work across all subjects and has improved her presentation skills.

Huskies – Ethan for careful observations and improvements across the curriculum. Sophie for fantastic self improvements when editing writing.

Kangaroos – Emily for fantastic improvement in maths since the start of the year. Harlo for superb work on telling the time.
