Thank You!

A big thank you to all the parents who have registered for ParentMail so far, we now have 226 parents signed up, this is a fantastic response. Using ParentMail will help us in reducing our paper usage and we will be able to give parents more timely updates. Let the office know if you would like to sign up. Initially we are using ParentMail to send out the weekly newsletter and in time we will be using it to keep parents informed of trip arrival times, sports events and reminders. We hope those who have registered are enjoying all the benefits, and those who have smartphones have downloaded the app.

New Laptops

We have now taken delivery of 18 new laptops for the children to use. They are set up and ready to go! The children will start making use of these over the coming weeks. We would like to say a really big thank you to the Friends of Edward Feild who donated the money to pay for the laptops and for all their hardwork fundraising, and thank you to all of our parents who support the fundraising events.

Class Assemblies

Each class will be holding an assembly sometime during the school year. Keep an eye on our 'Dates for your diaries' section above to find out when your child's assembly date is. Parents of children in that class are warmly welcomed to attend. Assemblies will start at 9.00am and run for approx 20 mins.

New Look Website

Our exciting new school website will be launching next week. We would like to thank the governors and parents of the communication committee for all their help. Please visit www.efs.oxon.sch.uk where we will also be updating each day with news from our Year 6 who are on their residential.
