**Friday 29th January 2021**

Dear Parents/Carers

## Remote Learning Survey

We have sent you a Parentmail today inviting you to complete our Remote Learning Survey by Tuesday 2nd February 2021 and we look forward to receiving your feedback.

## Message for Year 1/2 Critical Worker Group

We are looking forward to welcoming back our Year 1/2 Critical Worker Group on Friday 5<sup>th</sup> February 2021. We need you to contact us if your child tests positive during the self isolation period as your child will have a different return date. For any of our families affected by COVID-19, please do feel you can get in touch as Mrs Doyle is available for support.

We need everyone to work together in the local community to keep transmission rates low and our school running. Here is a reminder of our measures on site:

- One adult on site to drop off and collect
- Please remember to wear a mask and keep 2m away from other people
- Drop off your child on the KS2 playground and do not stand in the line
- Follow our one way system out the back gate onto Cleveland Close

If we are advised of any families not complying with self isolation, we have a safeguarding duty to follow up this serious issue.

## Self Isolation Financial Support

If you have been contacted by NHS Test and Trace and told to self-isolate on or after 28 September 2020, you're under a legal obligation to self isolate and you could be eligible for a £500 Test and Trace Support Payment. Further information is available here: <https://www.cherwell.gov.uk/info/258/coronavirus/739/test-and-trace-self-isolation-support-payments-policy>

## Planning Your Day

Attached is a useful planning tool for you to do with your child regarding planning the day. It's very difficult during lockdown to maintain routines and expectations. In school we often use visual prompts to support children to know what is expected of them and they enjoy the satisfaction of ticking off what has been achieved.

## Internet Safety

Our IT consultants, 123ICT are offering an online Internet Safety Workshop on 10th February 2021 at 8pm. Join this live webinar workshop to help you as parents or grandparents understand more about the risks young people face online, and what you can do to support them and to help minimise those risks. There will be an opportunity at the end to ask questions. This workshop lasts around an hour and will take place exclusively on Zoom. Book your free place via the link at <https://123parents.oxon.in>

## Safeguarding

If you have any safeguarding concerns, please email Mr Jackson on [head@efs.oxon.sch.uk](mailto:head@efs.oxon.sch.uk)

Finally, we would like to say thank you for your supportive messages, delicious snacks and offers to help clear pathways in the event of further snowfall! We hope you have a peaceful weekend.
