

Edward Feild Anti-Bullying Policy 2022

School Ethos

Edward Feild Primary School recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have a serious consequence for mental wellbeing. By effectively preventing and tackling bullying, our schools can help create a safe, disciplined environment, where pupils are able to learn to their full potential.

This policy is based on DfE guidance 'Preventing and Tackling Bullying' July 2017. It also takes into account the DfE statutory guidance 'Keeping Children Safe in Education'. It should be read in conjunction with the school's Safeguarding and Equality policies.

Definition of bullying

- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.

- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with the school’s behaviour policy.
