

## UKS2 English Wednesday 22<sup>nd</sup> April 2020

### L.O. Learn how to use the features of a newspaper report

For today's lesson, you will need to log in to BBC Bitesize. Find 'Daily Lessons' for 22<sup>nd</sup> April and then choose Year 5 (this is appropriate for Year 5 and 6).

Watch the video to help you to understand the features of a newspaper report. Next, complete Activity 1.

Activity 2 is a clip by Dick and Dom (I love them!!) which is all about George's Marvellous Medicine. This isn't really relevant to you but you may wish to watch it later.

You are going to write a newspaper report about the woman who climbed up the Sky path. You have interviewed her and are writing a short article for the newspaper to tell the readers about her story. Think carefully about your A - audience, P - purpose and E - effect. Remember to answer the key questions

Who was there?

What happened?

Where did it happen?

Why did it happen?

When did it happen?

Activity 3 has a planning sheet on it, which you may wish to use, or you could make your own.

You may wish to include a picture with a caption to go with your article.

Please remember to check your writing both as a reader - does it make sense? Is it interesting and enjoyable? Is it appropriate for my audience? Next as a writer - check tenses, punctuation (including inverted commas for quotes from the woman), spelling and a range of sentence types (including those with relative clauses). You should also use a thesaurus (available online) to try to increase your vocabulary choices.

You could also ask an adult to be your talk partner and give you feedback on your work.

We would love to read some of your articles if you email them to us.
