

Primary Physical Education and Sports Premium Report 2018-19

At Edward Feild Primary School we want all pupils leaving our school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

This year has been an exceptional year for school sport at Edward Feild. We have offered more clubs, taken part in more competitions and have qualified for 11 County Finals with 56 different children competing in them.

From September 2013 all primary schools across England received a share of the Government £150m p.a. [Primary Physical Education and Sport Premium](#). The funding is ring-fenced and must be spent on improving the provision and quality of PE and sport in primary schools so that pupils develop healthy lifestyles.

Edward Feild Primary School received £18,560 for the academic year 2018-19.

£10,827 of this funding was allocated to our annual affiliation to [North Oxfordshire School Sport Partnership](#) (NOSSP). This [affiliation](#) gives Edward Feild Primary School access to regular expert advice from a secondary PE specialist, weekly in-school support for teachers from specialist PE mentors, quality assured [professional development training](#) for teachers and teaching assistants, occasional input and support from qualified sports coaches, access to regular [sports competitions and festivals](#) including national [School Games](#) competitions, support with the development and delivery of primary [Change4Life sports clubs](#) and evaluation tools to help measure and monitor progress and impact.

NOSSP affiliation also provides automatic full primary [membership to Youth Sport Trust](#) and a range of additional benefits and support including the [Youth Sport Trust Quality Mark](#).

For a copy of our agreement with North Oxfordshire School Sport Partnership please click <http://www.northoxfordshiressp.co.uk/>

The remaining PE and Sport Premium £7733 was spent on

- 2 hours per week of sports/PE co-ordinator time which enables the children to take part in many activities beyond the core PE curriculum (£1570).
- A contribution towards the running costs of our minibus and bus hire which enables the children to access a larger number and wider range of external events, both inclusive and competitive, during and outside school time (£1030).
- Change 4 Life club throughout the year (£790), part funded from Pupil Premium grant.
- After school sports clubs – 4 hours per week of sports staff time (£2670).
- Sports equipment- bicycles, helmets, futsal balls, skipping workshop and ropes, swimming teacher training £1673

Context 2018/19

For the 2017/2018 Academic year we received the School Games Gold mark. The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. As a school, we had to audit and demonstrate our commitment to delivering the best possible sporting experiences for children at our school; that PE is embedded; and that all children are enjoying and living healthy lifestyles through PE and sport. PE and sport are at the very heart of school life at Edward Feild; there are a whole range of educational, health and wellbeing benefits from delivering high quality PE and school sport, and we see on a regular basis, that when it is delivered well, it can transform the lives of pupils.

We are expecting to achieve the Gold Award again for 2018/19. Having achieved Gold for five years in a row the school would then be eligible for consideration for a Platinum Award.

Impact

It is expected that schools will demonstrate an improvement against the following four key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and Sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
4. Increased participation in competitive sport.

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.

A number of after school/lunchtime clubs have been run this year which included futsal, cricket, tag rugby, football, Change4Life club, dance, dodgeball, handball club, tennis. Change 4 Life club has continued this year aimed at supporting our least active children as identified by staff. In Autumn term we were visited by Skip2Bfit who ran workshops across the school. Following the workshop we purchased skipping ropes for both playgrounds which have been used regularly and we have seen children developing their skills and being active. Lunchtime supervisors have been trained by NOSSP.

2. The profile of PE and Sport being raised across the school as a tool for whole school improvement.

Sporting success is celebrated weekly in our celebration assembly. Children are able to celebrate the success of school teams and individuals as well as activities that they are part of outside school. The SLT/staff recognise the positive impact that sport can have on children which is then taken back into the classroom. Our Pastoral Support Worker has often supported some of our more vulnerable children at sporting events which has enabled them to attend and be part of school sports teams.

3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.

All staff have had the opportunity to work with the NOSSP sports mentor (a teacher from Gosford Hill School). Staff see new ideas modelled, have the opportunity to plan alongside a PE expert and are able to get feedback on their own teaching.

4. Increased participation in competitive sport.

School Games Competitions: since the funding was put into place, as a school we have been able to participate in a wider variety of School Games competitions at Level 1 (Intra-school), Level 2 (Inter-School) & Level 3 (County). We have been able to do this because we have had the money to pay TAs to either take the groups to competitions or to cover the teachers who are taking large groups of children to competitions. We have also been able to fund our minibus to transport the children to events that have taken place further afield.

This year we have taken part in the following competitions and festivals:

- Year 3 Team Building Festival (48 children): this festival was targeted at Year 3 children to aid their transition from KS1 to KS2.
- U9 Football (25 children) Three teams took part, with one team finishing 1st in the Level 2 Kidlington competition. One team then qualified for the North Oxfordshire finals, which they won. They then went on to the School Games County finals finishing silver medal winners.
- Year 5/6 Rugby (27 children): our "A" team finished 3rd in the Level 2 Kidlington Competition.
- Cross Country Competition Year 1-6 (30 children): there were six different races and Edward Feild won five of them and finished second in the other. The winning teams qualifying for the North Oxfordshire Finals were Year 3/4 girls and boys, both qualified for the county finals. In the finals the girls team finished 5th and the boys 7th.
- Year 5 & 6 Kidlington Swimming Competition (10 children): our boys and girls teams came 2nd in the Level 2 Kidlington Competition.
- Year 5 Multiskills Festival (All 31 Year 5 children attended): this event is designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Year 5 & 6 Kidlington Hockey Competition (16 children): our team were 4th place in the Level 2 Kidlington Competition.
- Year 4 Change4Life Festival (12 Children): this event is designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Year 5 & 6 Kidlington Indoor Athletics (20 children): our team were winners in the Level 2 Kidlington Competition. We then went through to the North Oxfordshire School Sports

Partnership final where we came runner up and then went on to compete in the county finals where we came 5th.

- Year 5 & 6 Kidlington Netball Competition (14 children): our team were winners up in the Level 2 Kidlington Competition. We then went through to the North Oxfordshire School Sports Partnership final and were winners again. Next was the School Games County Finals finishing 3rd.
- Year 3&4, 5&6 Quad Kids Competition (20 children): Both teams were winners at Level 2. The Year 3/4 team qualified for the county final. This will take place on the 5th of July.
- Change for Life Club is attended by 25 year 3/4 children throughout the year.
- U11 Football (14 children). This will take place on the 4th of July.
- In Kwik cricket we entered a Year 5 team and Year 6 girls and boys teams into a Kidlington Kwik Cricket Competition (42 children) Level 2. Our teams won all competitions and have qualified for the County finals which will take place on the 3rd of July.
- Year 3/4 Mini Tennis (8 children): our winning team qualified for the North Oxfordshire Finals where they came runners up and will now compete at the County finals on the 3rd of July.

Year 5/6 Mini Tennis (4 children): our team won the North Oxfordshire finals and now compete at the County finals on the 3rd of July.

- Year 1 Multi-skills festival (all children in Year 1): this event is designed for the children to enjoy themselves and develop their communication and sporting skills – it is not competitive. Due to take place in last week of term
- Year 2 Multi-skills festival (all children in Year 2): this event is designed for the children to enjoy themselves and develop their communication and sporting skills. This event will be run by our Year 5 and 6 young leaders with all the Year 2 children within the Kidlington sports partnership coming to our school. Due to take place in the last week of term.
- Year 4 Multiskills Festival (all children in Year 4): this event is designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Following in-school coaching from Gosford All Blacks RFC we entered a team of Year 2's in a local club rugby festival (8 children). The children who went are now keen on joining the rugby club.
- In PE lessons children have taken part in hoop, shoot and quad kids competitions.
- Year 3 to 6, North Oxfordshire festival of dance (16 children)

- End of the year targeted festival (Any children from Year 3 to Year 6 who have not yet attended a festival): this event is designed for the children to enjoy themselves and develop their communication and sporting skills – it is not competitive. 11 July

Swimming: At the start of Year 6 (Sept 18), seven children were unable to swim 25 metres (20%). At the End of school year one child was unable to swim 25 metres (3%).

Edward Feild have attended 17 out of 17 festivals with – AWAITING FIGURES FROM GOSFORD CO-ORDINATOR

By the end of the Summer term every child from Year 1-6 will have taken part in Level 1 competitions: Dodgeball, X-country, Quad kids athletics, Netball, Hockey, Football, Rugby, Multiskills, and Tennis.

By the end of the year we will have had 100% of children from Year 1 to Year 6 take part in Kidlington School Sports Partnership competitions and festivals (Level 2).

120 competitors (71 different children) have taken part in North Oxfordshire Sports Partnership Competitions finals and festivals.

99 competitors (56 different children, a third of KS2) have taken part School Games (Level 3) or County finals and festivals.

Obesity measures for Reception and Year 6 children were below local and national averages: Reception 20%, Reception Oxfordshire 20%. Year 6 22%, Year 6 Oxfordshire 30%.

Next Steps:

- Continue to develop active playtimes with training/equipment for playgrounds (particularly for KS1)
- Young leaders to be trained so that they can support younger children's active playtimes
- Will be applying for Schools Games Platinum Award
- Continue with a wide range of clubs next year
