Primary Physical Education and Sports Premium Report 2019-20

At Edward Feild Primary School we want all pupils leaving our school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

All primary schools across England receive a share of the Government £150m p.a. [Primary Physical Education and Sport Premium](#). The funding is ring-fenced and must be spent on improving the provision and quality of PE and sport in primary schools so that pupils develop healthy lifestyles.

Edward Feild Primary School received £18,700 for the academic year 2019-20.

£9307 of this funding was allocated to our annual affiliation to [North Oxfordshire School Sport Partnership](#) (NOSSP). This [affiliation](#) gives Edward Feild Primary School access to regular expert advice from a secondary PE specialist, weekly in-school support for teachers from specialist PE mentors, quality assured professional development training for teachers and teaching assistants, occasional input and support from qualified sports coaches, access to regular [sports competitions and festivals](#) including national [School Games](#) competitions, support with the development and delivery of primary [Change4Life sports clubs](#) and evaluation tools to help measure and monitor progress and impact.

NOSSP affiliation also provides automatic full primary [membership to Youth Sport Trust](#) and a range of additional benefits and support including the [Youth Sport Trust Quality Mark](#).

For a copy of our agreement with North Oxfordshire School Sport Partnership please click <http://www.northoxfordshiressp.co.uk/>

The remaining PE and Sport Premium £9392 was spent on

- 2 hours per week of sports/PE co-ordinator time which enables the children to take part in many activities beyond the core PE curriculum (£1630).
- A contribution towards the running costs of our minibus and bus hire which enables the children to access a larger number and wider range of external events, both inclusive and competitive, during and outside school time (£1060), admin time for sports events 1 hr pw (£680).
- Change 4 Life club throughout the year (£820), part funded from Pupil Premium grant.
- After school sports clubs – 4 hours per week of sports staff time (£2740), 1 hour pw admin time (£680).
- Sports equipment: pumps, foam flyers, Kwik Cricket, Basketball, Goal (£330)
- Repair to KS2 playground potholes to make safe (£1450)

Context 2019/20

For the 2019/20 Academic year we received the School Games Platinum mark. The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. As a school, we had to audit and demonstrate our commitment to delivering the best possible sporting experiences for children at our school; that PE is embedded; and that all children are enjoying and living healthy lifestyles through PE and sport. PE and sport are at the very heart of school life at Edward Feild; there are a whole range of educational, health and wellbeing benefits from delivering high quality PE and school sport, and we see on a regular basis, that when it is delivered well, it can transform the lives of pupils.

Impact

It is expected that schools will demonstrate an improvement against the following four key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and Sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
4. Increased participation in competitive sport.

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.

A number of after school/lunchtime clubs have been run this year (more would have run but had to be cancelled due to Covid-19) which included netball (13 children), football (20 children), tag-rugby (10 children) Forest School Club (8 children) and Change4Life club. Change 4 Life club has continued this year aimed at supporting our least active children as identified by staff. In Autumn term we were visited by Skip2Bfit who ran workshops across the school. Following the workshop we purchased skipping ropes for both playgrounds which have been used regularly and we have seen children developing their skills and being active. Lunchtime supervisors have been trained by NOSSP. This year the school linked with the FAST programme aimed at involving children and their parents in active lifestyles. Fun sessions ran after school and families could also get discounts at leisure centres for swimming etc. We had two groups that took part. The first group was aimed at PP families and 6 children plus a parent. The second group had 20 children plus parents.

2. The profile of PE and Sport being raised across the school as a tool for whole school improvement.

Sporting success is celebrated weekly in our celebration assembly. Children are able to celebrate the success of school teams and individuals as well as activities that they are part of outside school. The SLT/staff recognise the positive impact that sport can have on children which is then taken back into the classroom. Our Pastoral Support Worker has often supported some of our more vulnerable children at sporting events which has enabled them to attend and be part of school sports teams.

3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.

All staff have had the opportunity to work with the NOSSP sports mentor (a teacher from Gosford Hill School). Staff see new ideas modelled, have the opportunity to plan alongside a PE expert and are able to get feedback on their own teaching.

4. Increased participation in competitive sport.

School Games Competitions: since the funding was put into place, as a school we have been able to participate in a wider variety of School Games competitions at Level 1 (Intra-school), Level 2 (Inter-School) & Level 3 (County). We have been able to do this because we have had the money to pay TAs to either take the groups to competitions or to cover the teachers who are taking large groups of children to competitions. We have also been able to fund our minibus to transport the children to events that have taken place further afield. Competition has been restricted due to COVID-19.

This year we have taken part in the following competitions and festivals:

- Year 3 Team Building Festival (Sept 19 56 children): this festival was targeted at Year 3 children to aid their transition from KS1 to KS2.
- U9 Football (Oct 19 22 children our A team were runners up * no progression for this event anymore)
- Year 5/6 Rugby (29 children A team winners. Seeded in 'A' group for county finals): our "A" team finished 3rd in the Level 2 Kidlington Competition.
- Cross Country Competition Year 1-6 (30 children): There were six different races and Edward Feild won four of them and finished second in the other two. The winning teams qualifying for the North Oxfordshire Finals where Year 1/2 girls came 2nd
- Year 5/6 Kidlington Swimming Competition (10 children): Girls winners and boys team came 2nd in the Level 2 Kidlington Competition. NOSSP finals girls came 5th.
- Year 5/6 Kidlington Hockey Competition 17 Children – A team came runners up. 8 children went to NOSSP finals finished 7th
- Year 5/6 Kidlington Indoor Athletics 23 children our team were winners in the Level 2 Kidlington Competition. We then went through to the North Oxfordshire School Sports Partnership final where we were winners for the first time! SG County finals cancelled – Covid-19
- Year 5 & 6 Kidlington Netball Competition 15 children our A team were winners and our B runners up in the Level 2 Kidlington Competition. (Both NOSSP and SG County finals Cancelled – Covid-19)
- Year 3 & 4, 5&6 Quad Kids Competition Cancelled due to Covid -19
- Change for Life Club is attended by 22 children 14 year 3, 8 Year 5 leaders
- Year 4 Multiskills Festival (51 children in Year 4): this event is designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Swimming: All year 6 children could swim 25 metres.

Governor approved 13 July 2020

Edward Feild have attended 9 out of 9 competitions/events up until mid-March.

70 competitors (49 different children) have taken part in North Oxfordshire Sports Partnership Competitions finals and festivals.

Obesity measures for Reception and Year 6 children were below local and national averages: Reception 20%, Reception Oxfordshire 20%. Year 6 22%, Year 6 Oxfordshire 30%. No data this year due to lockdown.

Next Steps:

- Continue to develop active playtimes with training/equipment for playgrounds (particularly for KS1)
- Continue with a wide range of clubs next year
- Buy equipment e.g. washable bean bags that can be cleaned between classes.
- Find new ways of children taking part in competitive sport that keep them and staff safe
