

Primary Physical Education and Sports Premium Report 2022/23

At Edward Feild Primary School we want all pupils leaving our school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

All primary schools across England receive a share of the Government [Primary Physical Education and Sport Premium](#). The funding is ring-fenced and must be spent on improving the provision and quality of PE and sport in primary schools so that pupils develop healthy lifestyles.

Edward Feild Primary School received £18,590 for the academic year 2022/23

£10,507 of this funding was allocated to our annual affiliation to [North Oxfordshire School Sport Partnership \(NOSSP\)](#). This [affiliation](#) gives Edward Feild Primary School access to regular [sports competitions and festivals](#) including national [School Games](#) competitions, support with the development and delivery of primary [Change4Life sports clubs](#) and evaluation tools to help measure and monitor progress and impact.

NOSSP affiliation also provides automatic full primary [membership to Youth Sport Trust](#) and a range of additional benefits and support including the [Youth Sport Trust Quality Mark](#).

For a copy of our agreement with North Oxfordshire School Sport Partnership please click <http://www.northoxfordshiressp.co.uk/>

The remaining PE and Sport Premium £8083 was spent on

- 2 hours per week of sports/PE co-ordinator time which enables the children to take part in many activities beyond the core PE curriculum (£1700).
- A contribution towards the running costs of our minibus and bus hire which enables the children to access a larger number and wider range of external events, both inclusive and competitive, during and outside school time (£495), admin time for sports events 1 hr pw (£710).
- After school sports clubs – 4 hours per week of sports staff time (£3400), 1 hour pw admin time (£710)
- Sports equipment: tennis balls, tennis rackets x36, standing high jump, football kit, ball bags x4, cricket balls (£638)
- PE Scheme of Work (£440)

Context 22/23

For the 2018/19 Academic year we received the School Games Platinum mark, which lasted until 2020/21. **We were very proud to have been re-awarded the Platinum Mark for 2021-2023.** The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. As a school, we had to audit and demonstrate our commitment to delivering the best possible sporting experiences for children at our school; that PE is embedded; and that all children are enjoying and living healthy lifestyles through PE and sport. PE and sport are at the very heart of school life at Edward Feild; there are a whole range of educational, health and wellbeing benefits from delivering high quality PE and school sport, and we see on a regular basis, that when it is delivered well, it can transform the lives of pupils.

Impact

It is expected that schools will demonstrate an improvement against the following four key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and Sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
4. Increased participation in competitive sport.

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.

A number of after school/lunchtime clubs have been run this year.

Reception and KS1 get regular access to forest school sessions. Reception have one afternoon every week and KS1 children get an afternoon every fortnight.

KS2 children have daily access to the running track for an afternoon exercise session.

Upper KS2 children who were identified as needing support have been supported through top-up sessions. 10 children from Upper Key Stage 2 have been going to swimming lessons weekly.

We have run a cycling proficiency course for 34 year 6 children.

Activators work with children across the school for a term to ensure that there are engaging activities for all children.

After school this we year we have run the following clubs:

- Year 5/6 mixed football 24 children
- Year 3/4 mixed football 22 children
- Year 5/6 mixed dodgeball 30 children
- Year 3/4 mixed dodgeball 32 children
- Year 5/6 mixed rounders 29 children
- Year 3/4 mixed rounders 30 children

40% of KS2 children have attended an after school club.

2. The profile of PE and Sport being raised across the school as a tool for whole school improvement.

Sporting success is celebrated weekly in our celebration assembly. Children are able to celebrate the success of school teams and individuals as well as activities that they are part of outside school. The SLT

and staff recognise the positive impact that sport can have on children which is then taken back into the classroom. Our Pastoral Support Worker has often supported some of our more vulnerable children at sporting events which has enabled them to attend and be part of school sports teams.

3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.

The new PE scheme is being used to ensure that the quality of PE teaching is good and has clear progression.

4. Increased participation in competitive sport.

School Games Competitions: since the funding was put into place, as a school we have been able to participate in a wider variety of School Games competitions at Level 1 (Intra-school), Level 2 (Inter-School) & Level 3 (County). We have been able to do this because we have had the money to pay TAs to either take the groups to competitions or to cover the teachers who are taking large groups of children to competitions. We have also been able to fund our minibus to transport the children to events that have taken place further afield.

This year we have taken part in the following competitions and festivals:

- Year 3/4 mixed football 20 children
- Year 5/6 mixed football 20 children
- Year 3/4/5/6 X country 24 children
- Year 5/6 tag rugby 32 children
- Year 5/6 swimming 12 children
- Year 5/6 sports hall athletics 40 children
- Year 2 multi-skills- 41 children
- Year 5/6 netball 10 children
- Year 4 multi-skills 33 children
- Year 3/4/5/6 Quad kids- 20 children
- Year 3 multi-skills 36 children
- Year 1 multi-skills 40 children
- Reception multi-skills 36 children
- Year 5/6 cricket 20 children
- Year 5 rounders 40 children
- Year 3/4 tennis 10 children

!00% of children in KS1 and KS2 have had an opportunity to take part in a competition/festival.

Percentage of children who, by the end of Year 6:

swim competently, confidently, and proficiently over a distance of at least 25 metres: 95%

use a range of strokes effectively (for example front crawl, backstroke, and breaststroke): 95%

perform safe self-rescue in different water-based situations: 60%

Next Steps for 2023-24:

- Offer a wider range of clubs next year
- Ensure new PE lead has access to NOSSP training
- Continue to embed the PE scheme and ensure that all teachers are teaching an hour of PE in addition to the PPA provision.
