

Raise money, and save money, with your Christmas Tree

The Friends of Edward Field will again be buying in premium non-drop Nordmann Fir Christmas trees in bulk from a wholesaler and selling them on to parents, carers, friends and families to raise funds for the year ahead.

The popular non-drop tree will be available in three different sizes:

Small 125-150cm, 4-5ft - £30

Medium 150-170cm, 5-6ft - £37

Large 175-200cm, 6-7ft - £44

Please Note: The trees will come ready netted and we do not have the equipment to net them up again so you will not be able to see you tree loose. However, here are some comments from a few of last year's happy customers:- ***"Loving our tree, hassle free & delivered to the door – definitely a bargain."***

"The trees are brilliant, great quality and shape. I'm definitely ordering again next year."

"Such a good quality tree."

"I am really impressed with its size, shape & bushiness."

Also, an interesting extract from the *Woodlandtrust.org.uk* :- *Artificial trees tend to be made of plastic (usually PVC), so it's usually better to buy a real one. PVC is non-recyclable, and the production and transport of artificial trees involves a lot of pollution. It's been estimated that you'd need to use a PVC tree for at least 20 years to make up for the amount of energy used in their production.*

A £15 deposit will be required at point of ordering & the order form below needs to be returned to us (via the school) so that we have a paper copy of it. However, the deposit can be paid in cash; as a cheque (payable to Friends of Edward Feild); or electronically (s/code 20-98-48 Acc no: 50348708 – giving your name & Xmas tree as a reference.) Trees can be collected from the school playground at a date yet to be confirmed (which will be early December.) We will again be offering a home delivery option (Kidlington only) for an extra £5 per tree for anyone interested.
